

EXTEND A ROLL

The First Ever Extendable Wall Mounted Toilet Paper Holder

Patent No: US 10,743,725 B2

Extend-A-Roll provides that last piece of convenience to an assisted living bathroom. The last thing the resident needs is the humiliation of calling for assistance because they cannot reach the toilet paper roll.

Our solution, the extendable toilet paper holder: **Extend-A-Roll**. The arm extends to the perfect desired length & the holder pivots for easy extraction. When done simply retract & the arm folds out of the way.

Extend-A-Roll can assist in staff efficiency by reducing the amount of call alerts, allowing them to attend to more pressing issues.

BENEFITS

- REDUCES BODY STRAIN & DISCOMFORT
- LESS ALERT BUTTON CALLS
- HIGHER STAFF EFFICIENCY
- EASY-TO-USE
- EASY TO REACH FOR THE PHYSICALLY IMPAIRED
- EXTENDS TO DESIRED LENGTHS
