# EXTEND A ROLL

*The First Ever Extendable  
Wall Mounted Toilet  
Paper Holder*

Patent No: US 10,743,725 B2

There are times the toilet paper roll is out of place & hard to reach. The free-standing mounts are in the way. Our solution, the extendable toilet paper holder: **Extend-A-Roll**. Not only is it attractive but it is functional & fashionable. The arm extends to the perfect desired length & the holder pivots for easy extraction. When done simply retract & the arm folds out of the way.

 **Easy to reach for the physically impaired**

 **Extends to desired lengths**

 **Attractive with it's retro look**

 **Retracts for out of the way storage**

 **Pivot A: Easy Toilet Paper Extension**

 **Pivot B: Turn In or Out for desired roll position**
